To Whom It May Concern

It is with great pleasure that we recommend Mr Rayhan Khimji for his exceptional contribution to St Catherine of Siena School in Mumbai, where he volunteered between October 2024 and March 2025.

During his time with us, Rayhan displayed dedication and passion while hosting and facilitating educational talks focused on nutrition and its importance. These sessions were designed specifically for young students from Grade 1 to Grade 4 and Rayhan covered topics such as importance of balanced meals, healthy eating habits, and helped the children understand the various food groups. Rayhan successfully organised and conducted one interactive talk every month for each class throughout the duration of his service.

Rayhan's ability to communicate in a simple engaging, and age-appropriate manner was highly commendable. His sessions were not only informative but also interactive, keeping the students actively involved and fostering a genuine interest in healthy eating habits from an early age.

The consistent quality of his sessions left a lasting impact on both students and staff, contributing significantly towards promoting awareness about healthy nutrition habits within our school community.

We thank Rayhan for his contribution and recommend him wholeheartedly for any future opportunities,

Sincerely

Brother Joseph Sebastian

Trustee and Secretary

Welfare Society for Destitute Children
